

*I don't know what we  
would do without our  
aide! She is very capable,  
and so kind and patient  
with my mother.*

*I know this is a hard job,  
and she does it very well.*

# HOME CARE SERVICES

## HOSPICE & HOME CARE OF ALEXANDER COUNTY

Maintaining the everyday tasks of life can become a challenge when you or someone you are caring for is also coping with an ongoing medical condition or recuperation period. Home Care Services, offered by HOSPICE & HOME CARE OF ALEXANDER COUNTY, INC., provides in-home assistance to individuals who, due to medical conditions, need help with routine daily activities.

Individuals eligible for Home Care Services must have a stable medical condition that requires the direct and ongoing care of the physician ordering the service, and also need help with personal care tasks due to the medical condition. Through a comprehensive assessment and medical history, HOSPICE & HOME CARE OF ALEXANDER COUNTY, INC. will work with you to develop a plan of care that is personal to your specific needs. In addition to basic medical and personal care needs, Home Care Services may include housekeeping and home management tasks that are essential, although secondary, to maintaining or improving an individual's health. Home Care Services is designed to assist, not replace, help available.

Personal care provided includes tasks such as bathing, hair and nail care, assistance with feeding and self-administered medication, assistance and encouragement with physical activity, and monitoring blood pressure, temperature, weight, etc.. Services may also include routine housekeeping and home management tasks such as meal preparation, laundry, sweeping, dusting, mopping, and shopping for groceries and essentials.

Serving residents of Alexander and surrounding counties in North Carolina since 1985, HOSPICE & HOME CARE OF ALEXANDER COUNTY, INC. is committed to helping both patients and their families live life to its fullest with optimal comfort and support.
